

CTC uses a single sign on portal (OKTA) that contains all the apps you will need while attending CTC.

Please follow the directions below to access your CTC apps (Blackboard, Banner Web, CTC student email, and others).

Go to: <https://columbustech.okta.com> (Note: Do not type www in front of web address)
or <https://www.columbustech.edu> --> Menu --> Okta Portal (under QUICKLINKS)

Your OKTA username = your initials + last four digits of your Student ID

Example: Lawrence Oliver, Student ID 910xx5123

Lawrence's OKTA username would be lo5123

(If you put your middle name or middle initial on your CTC application, you will need to use it in the username.)

Password for OKTA = your initials + a dash (-) + your birthday (mmddyy)

Example: Lawrence was born April 15, 2002

His OKTA password would be lo-041502

Upon first log in you will be asked to choose a multi-factor authentication.
Choose the SMS Authentication option.
